

REMARKS

By the foregoing amendment, the title of this divisional application has been revised to correspond to the subject matter of the claims in the application, the "CROSS-REFERENCE TO RELATED APPLICATION" section has been updated, and a minor typographical error has been corrected on page 11 of the specification. Presented for consideration in this divisional application are the Group III Claims 30-45 listed by the Examiner in her October 3, 2003 Restriction/Election Requirement in U.S. application serial no. 10/200,234, the parent of this divisional application.

The foregoing amendment clearly adds no new matter to this divisional application, and is not being submitted in response to any office action therein.

The Examiner is hereby requested to telephone the undersigned attorney of record at 972/516-0030 if such would further or expedite the prosecution of the instant application.

Respectfully submitted,
